

Needham Youth Services presents...

Needham Unplugged  
**Text-Free Tuesday**  
**March 22, 2015**

On Tuesday, March 22<sup>nd</sup>, Needham Youth Services is encouraging Needham residents and businesses to observe **Text-Free Tuesday**. Instead of texting friends and colleagues, take a moment to contact personal and business associates in person or by telephone.

You might want to contact all those with whom you regularly text a few days in advance to alert them to what you are doing --- and more importantly, why.
